Oil, Gas, and Mining

August 29, 2005

To Whom It May Concern:

According to a cessation order issued on Stansbury Island on July 13, 2005. We made an application for a mining permit at which point we asked for a variance of the Surety bond. I have talked with John and Darrin as well as Beth. We are requesting a hearing on both the Surety bond and the imposed fine. We request that we be given more time to either post bond or be excused from posting bond until a determination can be made through an informal hearing.

Sincerely,

A handwritten signature in blue ink, appearing to read "John Bleazard", with a stylized flourish at the end.
